SPAMENY:

- 1. CLASSICAL FULL BODY MASSAGE 60min** (The massage soothes nervous system, reduces muscle tone and fatigue, and increases stress resistance. Massage therapy stimulates the release of endorphins (hormones of happiness) which help to relax, reduce the stress, enhance immunity, and improve overall well-being and mood).
- 2. FACIAL CHIROMASSAGE 45min** (Face chiromassage designed to provide deep muscle relaxation. It helps to relieve facial tension, protects against the signs of ageing, reduces the appearance of fine lines and wrinkles, restructures the face contour and helps to invoke client's positive emotions.)
- 3. CLASSICAL BODY MASSAGE 30min**
- 4. KESE PEELING AT HAMMAM WITH INDIVIDUAL STEAM BATH 40min** (A treatment technique from the Far East that helps to remove dead skin cells. Kесе body peeling and massage are performed on a marble plinth (Hammam). After the treatment you are invited to relax in sauna. Kесе body peeling and massage leave your skin feeling very soft and clean.)
- 5. PERSONALISED ESPA EXPRESS FACIAL TREATMENT 30min** (Your therapist will select the most suitable facial for your skin. Every ESPA personalised facial includes a consultation, SkinVision™ analysis, cleanse, exfoliation, personalised facial mask and finishes with an application of a booster serum to suit your skin.)
- 6. THAI FEET MASSAGE 45min** (Massage helps the body to restore balance sheet items, by stimulating one or more internal organs activity).
- 7. ESPA DETOX.RELAXING OR GOLD BATH 20min** (Relaxing bath with oils which helps to relieve muscle tension, to ease aching joints, neck and shoulders).
- 8. PARAFFIN APPLICATION FOR HANDS AND FEET 30min** (Pamper yourself with one of the most efficient and pleasurable experiences. Already after the first treatment you will see the results: your skin will be smooth, hydrated, soft and supple.)
- 9. ESPA AROMATHERAPY MASSAGE 30min** (A customised selection of essential oils works through olfactory centres and the skin to help achieve the desired result of the treatment and bring deep body relaxation.)
